****Contact Ride Management if you plan to arrive before Thursday****

Ride Camp is in a huge pasture, so the camping is primitive. Plan on tying to your trailer or putting up pens. Bring your own hay. There is potable water which has a high iron content, so we suggest bringing your own people-water. Porta-potties; no electric. No reservations needed; there is PLENTY of room for everybody; pay for camping at registration. There is also a bar & grill right next to ride camp...excellent food!! Shallow, good footing, clear river within walking distance.

Trails have good footing – grass, dirt, some fine gravel. Mostly two-track and single-track trails through the woods, and it's mostly flat terrain. Nice trail for a first 100-mile!! TRAILS ARE BAREFOOT-FRIENDLY!

There will be natural water and water tanks along the trail. All vet checks are in camp. It's very possible to do the 100 w/o crew.

Morning **COFFEE** available to everyone. BYO mug!
